Our two senior students Braidon and Tyler attend Technology each week at Tautoro School. For the first few weeks they are in the food technology group. During their first visit they made Vegetarian pizza and banana pikelets with berry sauce. Last Friday they made hot cross buns.

Last Tuesday (23/3) the students of Waima Kura visited the Manea Centre in Opononi. It was a great outing and the students really enjoyed the experience outside of the classroom. Thank you to all the whanau who came along and helped with transport!
