It is important to contact the school if your child is absent. Unexplained absences are of concern. Some students have had more time at home than at school and we know they are not sick. Please do your child a favour by sending them to school every day. The greatest gift you can give your child is a great education. Last term teachers struggled to report on some students due to irregular attendance.

Are you aware of any available homes to rent or Farm Work within Northland?
 If so, it'd be appreciated if you could contact Natasha Griffin-Selwyn on **0220255375**

Ruma Tupu Teina

Kia Ora te Whānau,

We have been super busy in Tupu Teina trying to successfully implement the structured literacy programme. So far so good, still a learning in progress, however we will get there in no time.

Our next kaupapa is Mindfulness and we will be learning about the many emotions we feel, some we recognize and many we do not yet understand. We will be looking at different strategies and how to learn to overcome them. **Please send in an empty ice cream container with your child to make mindfulness boxes by next Monday.** We will watch Inside Out 1 over the next few weeks and our trip will be on Tuesday, 17th September 2024 to Kerikeri Cinema to watch the new Inside Out 2.

Kapa Haka: I will also be sending out lyrics to all the waiata that we will be singing on stage at Ahurea. Please encourage your child to practise and memorise them. Nga mihi.

TIPS TO KEEP YOU SMILING

Fluoride in toothpaste helps prevent tooth decay

Avoid eating or drinking after brushing teeth.

Especially at night so the fluoride can keep working to protect and strengthen teeth.
