Tena koutou nga matua nga whaea me nga whanau katoa

Due to a nation wide Teacher Strike this Wednesday 15th August, Waima School will be closed on this day. We apologise for the inconvenience that this may cause.

SCHOOL CROSS COUNTRY - WEEK 4 FRIDAY 17TH AUGUST
SENIOR SNOW TRIP - WEEK 9 MONDAY 17TH - FRIDAY 21ST SEPTEMBER

Our school Cross country is a major fundraiser for our Kura. Along with other stalls we are planning to have a cake stall and also a hangi. Any donation of cakes or hangi items would be so much appreciated.

If you are able to donate something on the list below, then please fill in the form below and return to school.

We are sending out Hangi tickets to parents and caregivers. If you are able to purchase a Hangi please return with your ticket to the school. We are also selling Hangi on the day. \$10 a hangi. Please support this Hangi - all money will go towards the snow trip in September. Please return tickets if you are unable to sell them.

Thank you so much Justin for dropping off wood for hangi today.

ASSIST WITH PUTTING DOWN AND LIFTING THE HANGI	Justin Kapene William Jarryd Wirangi	Hangi will be at the school The school has limited spades and shovels so can you bring your own shovels and spades.

Room 1 and 2 News

Room 1 children were making leaf rubbings. Here are some of their stories.

My leaf is red. I coloured my leaf with a red crayon. **Amaia is learning to write the sounds she hears in words and find words she knows from her alphabet card.**

My leaf is brown. **Hone Heke is able to draw a picture, tell a story and remember his story to share with someone else.**

My leaf is big and pink. I have a leaf it is brown. **Anahera is learning to find word that she knows how to spell, and to write the sounds she hears in words.**

Room 2 are learning about Chinese New Year this week as part of our topic study on celebrations around the world. We have learnt that the celebration lasts for 15 days and is in February. They celebrate by having a dragon parade and a lantern festival. The students are going to be learning more about some of the other traditional practices that take place during this time.

This week is Maths Week. Room 2 are participating in this by engaging in a range of online activities that involve using their maths knowledge to answer questions and solve problems. One of the activities that they will be completing daily is called the 'Survivor Series', the students have to correctly answer a series of questions to receive the magic word for the day. At the end of the week the students who have collected the word for each day will be able to find where the treasure is.

Room 3 News

Last Wednesday Kani attended the Kaikohekohe Cluster e-symposium at Northland College. The first thing we did was what they call a Digital Breakout, it was so much fun. I worked with students from other schools in the cluster and made some new friends. Then I shared what I do in class with people who came to see what I was up to. I had the best time ever and am looking forward to doing it all again next year. Kani

On Thursday Whaea Portia came to visit us again to share her 'World Cup' victory. We were blown away by the amount of medals and the WORLD CUP - Nellie. It was an amazing experience to hold this cup, it was so special. We would like to thank Mrs Davidson for asking Portia to come and visit us. Portia also spoke to us about her journey to get to be the sports person she is today. Thank you Whaea Portia.
