Tena koutou nga matua nga whaea me nga whanau katoa,

Firstly, we'd like to welcome our new student Tapairu Heta - joining Ruma Tupu! We are sure that you will really enjoy your time at Waima School.

Thank you to all of our parents and caregivers who recently filled out a survey for 'Career Aspiration Personalised Pathways.' All names went into the draw for a box of chocolates and the lucky winners were Shelley and Paul Birch!

Also a huge thanks to all those parents/caregivers who are phoning or emailing to inform the school when students are absent. If we do not hear from parents by 9am, our Office Administrator will phone around to make enquiries. If your child/ren arrive late, please remind them to report their arrival at the office.

If after school transport plans for your child/ren change, please inform the school by either phoning and speaking with a staff member or having a student provide a signed note to the office. We cannot send students home with other parents or on the bus without being directly notified by the parent/caregiver. Please understand that this is a health and safety issue - we must know where our tamariki are at all times.

Ruma Tupu:

Below are a couple of stories from Zion and Poppy. They are part of a small group who have been developing their writing skills with Mrs Colebrook. Their group have been working together over the last two weeks and we have noticed that the close attention they receive in the small group is really helping to build their skills.

Possum hunting - Zion Toia

At night me and TK and Nanny Pat and Nan went possum hunting. We went possum hunting down the valley at night time. We looked in the pine cone trees, but we could not find any possums. We shone our torch at the pine cone trees but there were no red eyes, so we turned around. I kept on walking and Nanny Pat kept on driving. We kept looking for possums.

When we got home, Salt my dog, wanted to eat some possums skin but we didn't find a possum.

My Pet Guinea Pig - Poppy Broomfield Khan

I have a pet guinea pig named Cuddles and she plays with me. She is blue, black and white. Cuddles eats scraps and grass. She lives in a cage and watches TV with us. I love my guinea pig. We give her heaps of hugs. We found her under the house and then we named her.

The rest of the children have their reading books and alphabet and basic words to learn.

Measles in Northland schools

Please vaccinate your child or young person if they have not had one measles (MMR) vaccine. It is free at your general practice.

Students in a class with someone who has measles may be asked to stay home for up to two weeks, if they have had no MMR vaccinations.

Students with one or more MMR vaccinations can still attend school.

Check your child's immunisation records in their Well Child/Tamariki Ora book or ring your general practice.

Anyone believing they have been exposed to measles or exhibiting symptoms should not go to the ED or after hours' clinic or GP.

Instead call Healthline free on **0800 611 116** for advice and information from a trusted registered nurse, anytime, 24 hours a day, 7 days a week.

Symptoms:
cough, runny nose, fever, sore red eyes, then a rash.
