Tena koutou nga matua nga whaea me nga whanau katoa,

A very warm welcome to our two new students, Te Amorangi (Amo) Tioriori-Nelson & Rastafari Te Tai-Harris!

Thank you to all those parents/caregivers who are phoning or emailing to inform the school when students are absent. If we do not hear from parents by 9am, our Office Administrator will phone around to make enquiries. If your child/ren arrive late, please remind them to report their arrival at the office.

If after school transport plans for your child/ren change, please inform the school by either phoning and speaking with a staff member or having a student provide a signed note to the office. We cannot send students home with other parents or on the bus without being directly notified by the parent/caregiver. Please understand that this is a health and safety issue - we must know where our tamariki are at all times.

It was disappointing to hear that towards the end of last term there had been unsatisfactory behaviour on the bus. We have spoken to the students concerned and they are aware that if it continues then parents will be contacted.

Homework: Depending on the need, junior students will have some form of homework during the week. This may be reading or spelling. Please check your child's bag each night and support them with this learning. Students who consistently receive this support from home are making the greatest progress.

Te Manawa Tahī o Hokianga: Supporting your child's success in school

Mā te huruhuru, ka rere te manu. With feathers, a bird will fly.

Who are we? Learning Support (formerly Special Education) and the RTL B Service (Resource Teachers Learning and Behaviour) are working with Schools/Kura and Early Childhood so that whānau who need additional support for their children can get this as quickly as possible. Language and learning delay, social and emotional difficulties, physical and sensory challenges, behaviour and wellbeing can all affect a child's progress at school/kura. Ngāpuhi and Te Rārawa iwi have been working with us to provide better support to children who need additional help with their learning.

What is happening?

We have set up support hubs (called Te Manawa Tahī o Hokianga) in various locations in your community. You can talk to our specialists at Te Manawa Tahī o Hokianga directly and they will help determine what your child needs.

How can you find us?

The Te Manawa Tahī o Hokianga flag will identify each Te Manawa Tahī site.

When is this happening?

Please see the timetable overleaf for information on when and where Te Manawa Tahī o Hokianga will be in your takiwā.
