Tena koutou nga matua nga whaea me nga whanau katoa

I trust you have all had a wonderful Easter with whanau and friends. We were certainly spoilt with the great weather. This will be the last newsletter for Term 1. School will be open on Friday 13th and staff will be using this day to forward plan for term 2. Term 2 will begin on Monday 30th April.

Thank you to Marie who came to our Reading together evening last week. As Marie was the only person to attend she won the lucky draw of a \$50 petrol voucher. Staff have decided to cancel the reading together evening next Wednesday 11th. We will however hold another couple of evenings in term 2 and will keep you all updated when dates have been confirmed.

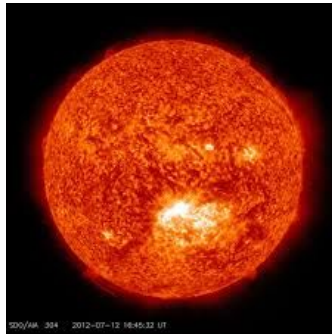

Reminder that our year 7 and 8 students have tech tomorrow.

### *Sports News:*

What a fabulous day we had at Northland College last week for swimming sports, thank you to Nanny Aggie, Aunty Rebecca, Uncle Kepa, Aunty Rita and Aunty Aroha Reihana-Ruka for being the cheer squad and for all your support, it is much appreciated. The group of tamariki that competed, swam their hearts out, and came away with some awesome results.

## Room 1 and 2 News

For the next two weeks we are learning about the sun and how we cannot exist without it.

*Cecelia wrote:*

The sun is too hot.

*Kaydence wrote:*

The sun makes everything look shiny.

*Waiariki wrote:*

I think that the sun is glowing flames. I think the sun is really hot. It has holes to blow flames. It goes dark at night. It makes us warm.
