Measles in Northland schools

Please vaccinate your child or young person if they have not had one measles (MMR) vaccine. It is free at your general practice.

Students in a class with someone who has measles may be asked to stay home for up to two weeks, if they have had no MMR vaccinations.

Students with one or more MMR vaccinations can still attend school.

Check your child's immunisation records in their Well Child/Tamariki Ora book or ring your general practice.

Anyone believing they have been exposed to measles or exhibiting symptoms should not go to the ED or after hours' clinic or GP.

Instead call Healthline free on **0800 611 116** for advice and information from a trusted registered nurse, anytime, 24 hours a day, 7 days a week.

Symptoms:

cough, runny nose, fever, sore red eyes, then a rash.

www.northlanddhb.org.nz

The first symptoms of measles are:

- A fever
- A cough
- A runny nose
- Sore and watery 'pink' eyes
- Sometimes small white spots on the back inner cheek of your mouth.

For days 3 – 7 of the illness, symptoms include a blotchy rash which tends to start on the face, behind the ears, before moving over the head and down the body. The rash lasts for up to a week.

If you have any questions or concerns, please contact Northland District Health Board.

Ruma Tupu:

This week Tupu Tuakana have started work on understanding how to create and use simple maps. They will be learning how to describe different pathways and about the different language that is used.

Puawai:

Welcome to week 7. This week we are continuing with our novel quests and inquiry. Aunty Leela will be visiting again to help us with organising our Ki-o-Rahi event. There is also Technology for the Year 7 & 8s.

Nga Taonga Korero ō Puketi - Treasured stories of Puketi

Puketi Recreation Area, Waiare Road, Kerikeri, Bay of Islands

Saturday 21 September 2019 (3:00pm – 8:00pm)

Join us in celebrating 50 years of Conservation Week. Come to our family event at Puketi Forest from 3pm to 8pm on Saturday 21 September 2019. The event is fun, free and for all ages. This year we reflect on five decades of amazing conservation effort that has saved species, restored habitats and inspired the next 50 years of protecting our native taonga. Join our guided day and evening forest walks to see glow-worms, hear the stories from our past, learn about the protected species of Puketi, and join in with fun forest health activities.

This event is part of Conservation Week 2019 - www.conservationweek.org.nz. More information from the Bay of Islands DOC office 09-4070300.

This is a joint event with Kerikeri Keas, Cubs, Scouts and Venturers. Nature needs our help, and now is the time for New Zealand to take action. We hope to see you there.
