### Ruma Tupu:

A warm welcome back to all our students for the final term of the year. Our first day has started off with a bang having the Northland Science Roadshow visit us. Everyone thoroughly enjoyed this opportunity to have some hands on science fun.

Although it is almost the end of the year there is still lots of work to do. This week Tupu Tuakana will be setting goals that they will be working towards for the first part of the term. Students will have a small amount of homework each night, please support them with this by listening to them read or helping them with their spelling words.

#### Farming

On Sunday my dad, mum and I went on the farm and saw the sheep. Dad mum and I saw the dog eating the sheep. Dad scared it away and my uncle and I shot the dog. We found a baby lamb beside the ewe. We picked it up and took it home and fed it.

#### Cleaning

On Sunday my dad, mum, sister, brother and I cleaned up our house. I mopped the house, then I swept the ground. Then I wiped and my sister was outside moving a table with wheels. We cleaned up the house because it was a mess inside and outside. The dog was ripping up the rubbish and it messed up the coal too.

After we cleaned up our cousins came and we played on my motor bike. We also played on the tramp. Then my mum bought dinner. For dinner we had pizza and chips.

### Selling Lemonade

On Saturday Lee-Ayla, Ata, Aaliyah and I were selling lemonade. Aaliyah and I ran to the house to make it. We grabbed a big jug and squeezed the lemons in. When they were all gone it was time to put the sugar in. Aaliyah poured the sugar in while I was stirring it. When it was done we put water in and then we walked out to put the lemonade on the stand.

Then we watched the cars go past. Finally a car stopped and I was so excited. I grabbed a cup and gave it to them. They gave me five dollars. I was so happy. Then a big black truck came and my cousin gave them some lemonade. The gave her five dollars too. Then we waited for a while but no one else came so we gave up.

Then we counted the money. There was twenty dollars altogether. I was so happy. I told Aaliyah that we should make another stand next weekend. Our next stand will be a sweet stand and we will sell donuts, cupcakes and cookies.

### Making Lemonade

On Sunday Waiariki, Lee- Ayla, Ata and I made lemonade. We had to pick the lemons, cut the lemons, squeeze the lemons into the container and add sugar. Then we put in some water. We mixed it and we had to do this over and over again.

Then we made a bana that read - \$1 Lemonade. After that we got out our table to put our lemonade on. I went to get a container to put some lollies in. I got another container to put pizza in. I had to get cups and another container which I filled with hot and cold water. I said "Can I have help please?" Lee-Ayla came and helped me.

We put our stuff on the table and waited and waited. Finally a car stopped. They wanted five cups of lemonade. They gave us five dollars and they took off. We waited again. Then another car stopped and they asked for two drinks. They gave us ten dollars. The last car to stop ordered one drink and gave us five dollars, so altogether we made twenty dollars..

Next weekend Waiariki and I are going to make another stall. But this time we are going to sell cup cakes, donuts and drinks.
