Tena koutou nga matua nga whaea me nga whanau katoa,

Personal Hygiene

Staff have noticed many children do not know how to blow their nose. It is common for our students to wipe their nose on their arm or clothing. We have been trying to teach them to blow into a tissue and then sanitise their hands. It would be appreciated if whanau can reinforce this procedure at home so that students are not spreading their germs to others.

If your child does have a cold or is unwell, please keep them at home until they have recovered, so that others are not exposed to their germs.

Students are also coming to school with long and dirty fingernails. Can whanau please ensure students come to school with short nails, to avoid infecting others if they accidentally scratch another student when playing in the playground.

Nits - We recently sent home lotion with every student. If your whanau requires more lotion then please inform our Office Administrator or a teacher and we will supply more.

I have been notified by Ritchies that there was an incident on the school bus last week between two of our senior students. If this behaviour continues, then students will not be able to catch the school bus.

FUNDRAISING/LUNCH ORDERS: will be taken on Thursday (02/07)

Ruma Tupu:

It has been a very busy term 2 for Tupu teina. Everyone has been working really hard. Thank you to the whanau who continue to support the tamariki at home.

Last week and this week the students are learning a bit more about Matariki.

On Friday we had an amazing day constructing mobiles from sticks that we foraged from the bush and salt dough stars that we made the previous Friday. There was an incredible amount of learning that went into making these. Measuring, construction, tying knots are just a few of the skills that were learnt along the way.

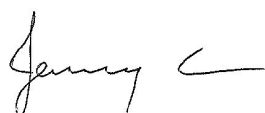

Puawai:

Welcome to the last week of term 2. In Puawai we are continuing to present our Novel Quests and Inquiry. Enjoy the holiday break.
