Tena koutou nga matua nga whaea me nga whanau katoa

We did say that last week would be the last newsletter for the term, however we could not let a celebration go by. Congratulations to Maihi and Javed who participated in the triathlon on Sunday. They did exceptionally well and completed the full course in great time. Huge thank you to uncle Kefa for training these boys.

Room 3

Well it is the last week of term, all of us are ready for a good break. Please can you make sure your child has headphones next term, thank you to those students who have them already. Students who do not have headphones will not be able to participate in many of the tasks as they need sound. Enjoy your break, safe travels.

Student Council

Today Maihi, Aja, Carmel and Whaea Moni interviewed students for the Student Council. Well done to the students who secured these positions.

Co-presidents - Maihi and Carmel

Treasurer - Naphtali

Secretary - Charlamaine

Events Manager - Javed

Assistant Events Manager - Tyler

Media Team - Samara, Te Ranui, and Kani

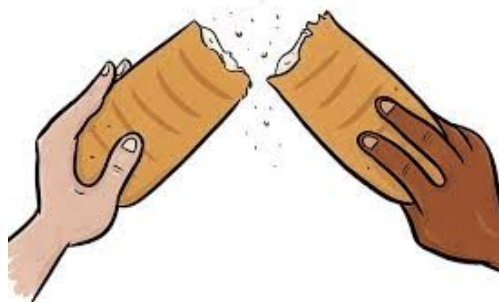

$\frac{1}{2}$

(One-Half)

$\frac{1}{4}$

(One-Quarter)

ROOM 1 AND ROOM 2

We are learning in mathematics fair sharing which is the beginning of fractions and division. If you get an opportunity to share cake or chocolate, talk to your child about, $\frac{1}{2}$'s and $\frac{1}{4}$'s.

Please keep up reading with your child in the holidays as this will continue to assist in their everyday learning. We will be continuing discovering more about the sun and why it is so special.

Have a safe and happy break with your children.

Tamati wrote today:

The sun helps us. The sun gives us food. The sun gives us time to play. We like the sun.

Maui wrote:

The Sun is special because it gives us heat and light. The sun gives us food. The sun helps mother nature.

NOTICE FROM THE CENSUS TEAM

The Census Team will be meeting at Taheke Marae on Wednesday 11th April 2018 between 11 am - 3 pm for any one needing help filling in the forms manually and online
