**MISSING: School Bluetooth speaker.** This has recently been removed from the back room at our school. It is a very large piece of equipment (almost a metre high) and easily identified. If you know of its whereabouts then please contact our school office. Our students are not happy.

Due to the vaping incident on the school bus last week, we request that students no longer bring pouch bags (i.e. hip pack or waist bags) to school. **Thank you in advance for your understanding.**

## Ruma Tupu:

### *Making Scones*

*On Wednesday at school our reading groups made scones.*

*First we had to read the book 'Fleeb Makes Scones'. We all sat on the mat and read the story together. It was about a robot that was asked to make scones.*

*Next we had to get our writing books and write a recipe for the scones. We talked about what ingredients we would need and how much.*

*After that we got to go to the staffroom and make the scones. We had to wash our hands first. We then had turns putting the ingredients into the bowl. We had to use our hands to rub in the butter. When we had all had a turn Whaea Jo put the mixture onto a tray and cut it into squares. Then they got put in the oven for 12 minutes.*

*The scones were delicious. We had butter and cream on them.*

*It was fun making the scones.*

## Puawai:

Welcome to week 9. This term is nearly complete and we continue to complete the learning tasks set at the beginning of the term. Over the next 2 weeks we are focusing on reading. It is pleasing to see from assessment the improvement in many of the students in Puawai - Keep up the great work!
